Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicants' representative, Ms. Armstrong pointed out to the Examiner that the period found on line 5 of claim 12 should have been deleted in response to the claim objection in the Action mailed April 5, 2004. The Examiner thanked Ms. Armstrong for noticing the oversight and stated that the claim in its entirety was allowable, however a deletion of text as suggested by the 312 amendment submitted September 1, 2004 would not set forth an allowable claim as it would broaden the scope of the claim. It was suggested to Applicants' to file a request for continued examination (RCE) with an amendment the claims and a new examination of the claims would commence at that time.
